

Home Game Spectator Policy

Fan attendance will look very different this year, so please take the time to review this document if you plan on attending one of the many home games this season. Game schedules can be found on the CDS website on the designated team's home page.

- There will be **no visiting fans allowed** at CDS hosted games
- Fan participation will be **limited to 30% capacity of the venue** at which the game is being held (players and coaching staff are not included in this number).
- All fans attending a game will need to **check in upon arrival**. Yard signs with QR codes and links to a check-in form will be posted throughout the fan seating area.
- Fans will need to **bring their own seating** and shading equipment; items can include lawn chairs, picnic blankets, or umbrellas. Please be mindful of other fans when setting up your area.
- All fans must **remained masked** throughout the entirety of the event
- A **6 ft distance** must be kept between individuals unless they are all of the same family.
- Bathrooms:
 - At soccer games; bathrooms will have a **limit of 2 people at a time**. Home and visiting locker rooms are prohibited to be used by fans.
 - At baseball games **there will be no bathrooms available** for fan use on campus. Fans will have to seek bathroom facilities elsewhere off-campus.
- Fans are expected to arrive no earlier than the start time of the event and leave immediately after the event, limiting group gatherings of any sort.
- Sanitation stations will be available at both venues.
- Individually packed refreshments and snacks will be available for purchase during designated games.

Away Game Spectator Policy

Please keep in mind that the hosts of away games will dictate their own spectator policies. We are continuing to gather information from our opponents to share out with families.

Baseline protocols for NCISAA spring sports can be reviewed here.
